Form 471 Certification Postmarked outside of window letter dated June 14, 2004
CC Docket No. 02-6

Delta County Joint School District 50 J
Application #: 424408
Billed Entity #: 142433

"We are sending this letter to thank you for your recent 471 application. Your Form 471 Certification was postmarked on 03/23/2004, which is after the 20042005 filing window."

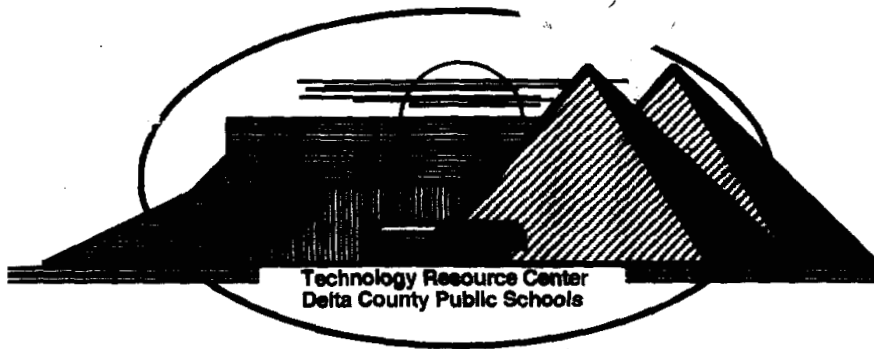

All of the original documentation for our form 471 was postmarked by February 4th, 2004, which was within the filing window. Due to the obscure location of the signature line we neglected to sign the form. Upon notification we immediately returned the signed forms.

Therefore, we would like to appeal the decision that our form 471 was sent after the close of the filing window, when the original forms were postmarked by February 4th, 2004
